

**RELEASE**

The General Manager of the Cameroon National Shippers' Council (CNSC) hereby informs shippers, ship-owners, freight forwarders and other business persons that in order to improve on the quality of its services, a new ECTN issuance application has been developed taking into account all the problems raised so far.

To this end, the pilot phase in preparation for the deployment of this application, which brings together import and export maritime, air and land ECTN will run from **Tuesday October 2 to Tuesday December 31, 2024**. Shippers and persons concerned by this phase will be contacted in writing.

This application will actually be deployed as from Thursday, January 2, 2025. Consequently, shippers wishing to obtain an account in the said application as well as operators wishing to acquire the status of "Authorized agent" are invited to consult the related procedure on the CNSC's website, accessible through the link [www.cncc.cm](http://www.cncc.cm).

The CNSC General Manager counts on the understanding of business persons and invites them to contact one of the following CNSC officials for *additional information*:

- **Mr. TSAGUIM Elvis**, Director of Operations and Projects, email: [e.tsaguim@cncc-cm.org](mailto:e.tsaguim@cncc-cm.org), Tel: +237 670 205 934;
- **Mr. KOUM Claude Cyriac**, Head of Information Systems Division, email: [c.koum@cncc-cm.org](mailto:c.koum@cncc-cm.org), Tel: +237 670 207 496.
