

RELEASE

The General Manager of the Cameroon National Shippers' Council (CNCC) hereby informs shippers, tropical fruit exporters, SMEs in the agri-food sector, agronomists and phytosanitary agents that the CNCC will organise a training seminar themed "***Mastering fruit fly management tools and techniques, and preparing documentation required by European Union phytosanitary regulations for fruit exports to the European market***".

This seminar will hold on **28 and 29 May 2026, as from at 9:00 a.m.**, in the CNCC training hall on the 11th floor of the head office building and mainly seeks to equip stakeholders in the fruit sector with the knowledge and tools necessary to prevent, monitor and control fruit infestations, as well as inform them on how to prepare export documentation required by European Union standards.

The registration deadline is **25 May 2026 at 5:00 p.m.** and interested participants may register using the following contact details:

- **Telephone:** 670 21 00 45 / 691 34 50 67
- **Website:** www.cncc.cm
- **Email:** formation@cncc-cm.org

Douala, 11 May 2026

Le Directeur Général
Auguste Mbatia Penda
